

Company Profile

The Company

Nuts & Moks Limited is a registered Kenyan company specializing in high-quality Plumbing, Electrical, Telecommunication & ICT, and Mechanical installation services. Since our establishment, we have built a strong reputation for delivering reliable, efficient, and cost-effective solutions to residential, commercial, and industrial clients.

We pride ourselves on our team of qualified technicians and engineers who adhere to industry best practices, safety standards, and the latest technological innovations. Our goal is to offer durable solutions that add value, improve functionality, and enhance operational efficiency for our clients.

A photograph of a modern, multi-story building with a flat roof and large glass windows. The building is partially obscured by a large, semi-transparent red overlay that covers the lower half of the image. The text is written in white, italicized font within this red area. The background shows some greenery and a clear sky.

*“We are committed
to your satisfaction.
Your project, your
timelines, your
peace of mind — our
priority.”*

Our Mission & Vision

At Nuts & Moks Limited, our Vision and Mission guide how we work, the standards we uphold, and the value we deliver to every client and project.

Our Mission

To deliver professional, sustainable, and customer-focused technical solutions through expert workmanship, quality materials, and a commitment to excellence.

Our Vision

To be a leading, trusted, and innovative engineering services provider in Kenya and the East African region.

Our Core Values

■ Professionalism

We maintain high standards in service delivery.

■ Integrity

We are honest, transparent, and reliable.

■ Quality Workmanship

We do the job right, the first time.

■ Innovation

We embrace new technology and modern solutions.

Our Services

Our services are built on precision, innovation, and skilled workmanship. We ensure that every installation is done correctly, safely, and sustainably to guarantee performance and durability.
